Chien-Li Wu	Independent	V	V	V	V		V	V	V	V	0	-	-

Note 1. In this part, we measure the independence of directors who are non-executive and meeting at least 4 of the 9 criteria (of which at least 2 of the 3 first criteria) listed below:

1. The director must not have been employed by the company in an executive capacity within the last year.
2. The director must not accept or have a "Family Member who accepts any payments from the company or any parent or subsidiary of the company in excess of \$60,000 during the current fiscal year", other than those permitted by SEC Rule 4200 Definitions, including i) payments arising solely from investments in the company's securities; or ii) payments under non-discretionary charitable contribution matching programs. Payments that do not meet these two criteria are disallowed.
3. The director must not be a "Family Member of an individual who is [...] employed by the company or by any parent or subsidiary of the company as an executive officer."
4. The director must not be (and must not be affiliated with a company that is) an adviser or consultant to the company or a member of the company's senior management.
5. The director must not be affiliated with a significant customer or supplier of the company.
6. The director must have no personal services contract(s) with the company or a member of the company's senior management.

7. The director must not be affiliated with a not-for-profit entity that receives significant contributions from the company.
8. The director must not have been a partner or employee of the company's outside auditor during the past year.
9. The director must not have any other conflict of interest that the board itself determines to mean they cannot be considered independent.

The **definition of independent directors above is different from those under Taiwan government regulation**. For the definition of independent directors under Taiwan government regulation, please see refer to 3.2.2 Board of director information-2 (page 21~24) in 2021 Annual Report of E.SUN FHC.

Note 2. The target share of Independent Directors among the Board was set to be 80%. Executive and former executive Directors are described as below.

- (A) The chairman, Yung-Jen Huang, has served as an independent director in the Board, as defined above, for 7 years, from Jan 31st, 2015.
- (B) Mr. Joseph N.C. Huang is the former CEO of E.SUN FHC, and he is now the Chairman of E.SUN Bank, the main subsidiary of E.SUN FHC.
- (C) Ms. Magi Chen, former CFO, is appointed as the CEO of E.SUN FHC by the Board.
- (D) Mr. Mao-Chin Chen is the Chief Strategy Officer, CSO of E.SUN FHC, and the CEO of E.SUN Bank, the main subsidiary of E.SUN FHC.

Note 3. Other mandates of each director means the number of other external directorships in publicly listed companies, not including private limited companies, educational institutes, and non-profit organization. According to the "E.SUN Financial Holdings Corporate Governance Best Practice Principles", no independent director of a public company may concurrently serve as an independent director of more than **three** other public companies at a time.

- (A) Ryh-Yan Chang also serves as non-executive or independent Director in other 3 companies, including, Panion & BF Biotech Inc., Savior Lifetec Corporation, and CTCI Advanced Systems Inc.
- (B) Chun-Yao Huang also serves as independent Director in 91APP, Inc.

Note 4. Non-executive directors who are expertise in risk management are listed below,

- (A) Mr. Yung-Jen Huang: He is the founder of our bank who has outstanding experience in financial field. He has comprehensive knowledge of management and banking with a global view and insights. He was the former vice president of Hua Nan bank of Taiwan, the member of Financial Reform Committee of Executive Yuan of Taiwan, and the Dean of Fundamental Financial Research Training Centre (currently known as Taiwan Academy of Banking and Finance)
- (B) Mr. Joseph N.C.Huang: He was the Chief Strategy Officer of E.SUN FHC, and he implemented comprehensive business extension and risk management mechanisms into the Company. Mr. Joseph has extensive financial risk management experience. Since 2008, he had conducted many resilient and innovative project, helped E.SUN transfer into more innovative and flexible organization. Now he is also the convener of the Board Risk Management Committee of E.SUN FHC.

(C) Mr. Ryh-Yan Chang: Mr. Chang, the former director and CEO of Deloitte & Touche, Taiwan and the Chairman of Diligence Financial Consultant Co., Ltd. He was experienced over 40 years of financial accounting, audit, risk management and corporate governance. He was the independent auditor of 6 financial holding companies, and had led the reputation & risk management group in Deloitte in Taiwan.

Note 5. Directors who are expertise in IT security related experiences are listed below,

- (A) Mr. Mao-Chin Chen, who is the project leader of E.SUN Core Banking System Transformation project. He has extensive experiences on IT system development. He was the leader of the internal corporate banking systems development. Since 2018, He corroborated with consultant firm and helps E.SUN Bank to build Corporate Credit Process system, Corporate Internet Banking System, Overseas teller system, and so on. He also knows how to deal with cyber security accidents. He successfully helped E.SUN to handle numbers of cyber security accidents in corporate banking systems during these years. He is the member of the Board Risk Management Committee, and also joined the Information Security Management Committee quarterly.
- (B) Mr. Jui-Lin Hsiao's main research project includes topics of technological innovation, organizational innovation, disadvantaged innovation, open innovation, and action research approach, etc.; he also excels in conducting cross-field research involving science and technology. Mr. Hsiao is the member of the Board Risk Management Committee.
